

DACH

Freelance Position / Sole Trader (EPU)

Immediately

6.000€ - 13.000€

## **We are looking for:**

**Construction / Project Manager - Pharma Sector**

### **We offer:**

- Long-term collaboration on a freelance basis
- Exciting projects in GMP-regulated pharmaceutical environments
- Support with accommodation & logistics
- Direct points of contact throughout the project
- Excellent earning potential

### **Your tasks:**

- Leading and coordinating construction sites in pharma facility projects
- Ensuring compliance with GMP, safety, and quality standards
- Managing subcontractors and trades on-site
- Interface between client, planning, construction, and authorities
- Schedule, cost, and quality control
- Documentation and reporting in accordance with pharma regulations

### **Your profile:**

- Several years of experience as a construction or project manager in pharma or cleanroom environments
- Strong technical understanding (piping/HVAC/cleanroom systems)
- Familiarity with GMP requirements and qualification processes
- Excellent organizational and problem-solving skills
- German language skills (min. B1), English a plus
- Registered sole proprietorship (EPU) and willingness to travel

**Become part of our successful team and help shape the future with us!**

**Apply now - we look forward to receiving your detailed application!**
